

Investment Application for Individuals
STEP 1: Understanding your investment

Before you invest:

- Read the applicable **Product Information Document**, **Minimum Disclosure Document(s) (MDDs)** and **Portfolio Supplement(s)** thus ensuring that you understand the benefits and terms of your investment. These documents are available on the website (www.primeinvestments.co.za) or from your financial advisor.
- Effective Annual Cost (EAC), is a measure which has been introduced to allow you to compare the costs that you incur when you invest in different financial products, and the impact it has on investment returns. It places you in a position to make informed decisions around retail savings and investment product choices. The EAC calculator and further information is available on the website or from your financial advisor.
- It is important to note that because the Administrator does not provide financial advice, you are able to appoint an approved and licensed Financial Advisor (provided they have a contract with us), should you require guidance with your Portfolio selection.
