Based on the discretion of the Manager, certain investment portfolios may not be available at the time of your investment.

4.7. Monitor your investment

4.8. Understand what the implications are of replacing an existing financial product with this investment

If this investment is a replacement (in whole or in part) of another existing financial product you own, you must make sure you understand the actual, possible implications, costs and consequences of the replacement. You will need to perform and assess the comparative Effective Annual Costs (EAC) of the transfer.

4.9. Phase your investment into your selected Portfolio(s)

You may qualify for an exemption from South African dividends withholdings tax. Should this be applicable to you, please complete the relevant exemption form.

The Interest Withholding tax rate for Foreign Investors is calculated at the prevailing tax rate at the time of declaration.

Distributions from a Real Estate Investment Trust (REIT) are regarded as taxable local dividends (for foreign investors) and as income (for local investors).

4.11. Income distributions

Portfolios may earn interest and dividends from the underlying assets. This is declared as an income distribution if the interest and dividends exceed the Portfolio's total expenses. If the total expenses are more than the income earned, the Portfolio will not make a distribution.

The distribution can be monthly, quarterly, bi-annually or annually depending on the Portfolio you have selected.

Please refer to the relevant Portfolio Supplement(s) for any Portfolio specific information with regards to income distributions.

4.12. Switch between Portfolios

You may switch between the available funds on the investment platform. A switch entails a sale of units from one fund and a purchase of units into another fund. Please note that should you request to switch an amount in excess of 90% of the value of your investment Portfolio, a unit switch will be processed.

A switch between Portfolios other than between classes of the same Portfolio, will generate a capital gain or loss for Capital Gains Tax (CGT) purposes.

In order for the switch to be processed a Switch Instruction Form (or digital instruction in the case of any on-line transactional platform) must be fully completed and submitted to the Administrator.

4.13. Withdraw some or all of your investment

You may withdraw some or all of your investments at any time by submitting a completed Redemption Form or digital instruction in the case of any on-line transactional platform to the Administrator. No funds or portion thereof may be withdrawn if the funds in respect of investments and debit orders have not been cleared (debit orders can only be disinvested after 45 days and cheque deposits after 10 days). Please note that should you request to withdraw an amount in excess of 90% of the rand value of your investment portfolio, a percentage of the units withdrawal will be processed equivalent to the rand amount requested.

You may also schedule a regular redemption payment from selected Portfolios. The payment frequency is either monthly, quarterly, bi-annually or annually. Regular redemptions are paid on the 24th of the month. The regular redemption minimum amount is R500 per Portfolio. No Regular withdrawals are permitted from Portfolios that aren't traded daily.

No third party payments of redemption benefits are allowed. This is particularly important to note if you are opening this investment on behalf of a minor, as redemption proceeds will only be made into a bank account in the name of the minor.

Payment of the redemption benefits will only be made should the Administrator receive proof of banking details in the name of the Investor (in the form of a cancelled cheque or a bank statement not older than 3 months).

When you redeem part or all of your investment or choose a recurring redemption, you will be subject to Capital Gains Tax (CGT).

4.14. Transfer of ownership

You may transfer some or all of your investment to another individual or legal entity. The relevant transfer instruction form/s must be completed by you and the transferee. The Minimum investment amounts will apply.

5. What we do for you?

5.1. Act with honesty and integrity

We will act with due care, diligence, honesty, fairness and integrity in all our dealings with you.

5.2. Identify you and confirm your identity

We are an accountable institution in terms of the anti-money laundering legislation and must therefore comply with the Financial Intelligence Centre Act (FICA) requirements.

We will take reasonable steps to verify your identity (and the person/s acting on your behalf), your normal or temporary address, source of wealth and funds before a transaction is entered into or a business relationship is concluded with you. This is referred to as "Know your Customer" (KYC).

We use the information that you complete in your initial application form and any information you submit electronically via your chosen on-line transactional platform to identify you. A list of the supporting documentation required is included in each application form, or when you transact via your chosen on-line transactional platform.

We may request from time to time that you provide us with additional documents as well as proof of information you have provided previously in order to confirm your details have not changed.

We reserve the right to request any additional evidence to identify the source of this investment. In so doing, we will confirm whether the monies deposited in the investment account were obtained from legitimate sources. When providing the afore mentioned evidence, you will be required to comply with the prevailing legislation including, but not limited to anti-money laundering and income tax legislation.

5.5. Recurring redemptions

Regular redemption payments are paid on the 24th day of the month. We must receive the instruction to withdraw by the 20th day of the month to be effected that month. If the instruction is received after the cut-off date, the instruction will only be processed for the following month's payment date. Please refer to the relevant Portfolio Supplement(s) for any Portfolio specific restrictions with regards to regular withdrawals.

5.6. Phase-ins

Phase-ins are processed on the 15th day of each month. If the 15th is not a business day it will take place on the next business day. The Administrator needs to receive the instruction by 14:00 five days before the scheduled phase-in day. Any instructions received after the cut-off date will be processed the following month. Please refer to the relevant Portfolio Supplement(s) for any Portfolio specific restrictions with regards to Phase-in instructions.

5.7. Allocate bank interest earned

Bank interest earned on deposits made by you will be added to the investment amount if it is in the bank account for more than 24 hours.

5.8. Contributions made via debit order

You may select to contribute via a debit order on the 1st or the 25th of each month. New debit orders must be received by the 10th day of

month to be effective the 25th of the month and the 20th day of the month to be effective on the 1st working day of the following month.

We shall, at our discretion, pay or collect any amount (provided you owe any amounts to us) through the Automated Clearing Bureau, by means of Electronic Funds Transfer ("EFT") or through direct debit or credit notes addressed to your bankers. Any amounts paid to us using these methods will be viewed as "received" on the date that the debit order, cheque or EFT payment has been credited to our account by our bankers.

5.9. Processing order of multiple instructions involving the same Portfolio

If the Administrator receives an instruction while another instruction is in progress, the second instruction may be delayed until such time that the first instruction is complete.

5.10. Process payments from your investments

When a redemption is processed from your Portfolio(s) the proceeds will be paid into your bank account only. No third party payments are permitted. All payments will be paid in South African Rands via an electronic fund transfer into a current, transmission or savings account held in your name.

5.11. Communicate with you

We will communicate with you to provide you with important information. These include the following:

- Confirmation of your investment application
- Confirmation of changes made on your investment
- Quarterly investment statements
- Annual tax certificates (IT3(b) / IT3(c))
- Notices on events that affect your investment.

Where you have appointed a Financial Advisor, and you have authorised us to do so, we will provide the Financial Advisor with electronic access to such statements and to tax certificates furnished to the Investor. You may contact us or your Financial Advisor to request this information or other information you may require about your investment.

We will send all communications via email unless you have specifically requested that we post these to you.

It's important to note that if you have invested via an on-line transactional platform(s), investment statements will be made available, via that platform and will not be distributed via email.

In support of the environment, we will distribute all relevant communications electronically via email. You accordingly indemnify us for the security of information sent to you via email at your request, for the proper and complete transmission of the information contained in the email and for any delay in its receipt.

6. What we don't do?

6.1. Financial Advice

We do not provide financial advice.

We may only give you information about our investment products (of a factual or administrative nature) and we may not give you advice on whether any of the investment products we offer are suitable for your risk profile and investments needs.

You must not rely on any written, spoken or implied communication from us as investment advice, or recommendation to invest in or change your investment.

By selecting one of our investment products, you make an independent decision to enter into an investment which meets your financial and investment needs, whether those needs have been identified using your own judgment or through financial advisors. We have in no way, be it written, spoken or implied, recommended your choice of investment and the information and explanations relating to the terms of your investment are in no way to be considered investment advice.

In making your investment choice, we are indemnified and held harmless against any claim which may arise when you conduct business telephonically, by way of facsimile or via online services, including email. We will take any and all deemed and necessary security precautions to ensure that you can proceed with your chosen investment application.

6.2. Guarantees

We do not provide a guarantee on the investment value of your investment nor do we guarantee the performance of them.

The market value of investments may fluctuate, and past performance is not necessarily a guide to the future. You carry the investment and market risk which may include the possibility of losing capital.

6.3. Losses incurred

By submitting an investment application or instruction, you accept the risks associated with email or fax communication and understand that we shall not be liable for all and any losses that you may incur in the event that we have not received your communication, whether due to the failure, malfunction or delay of any networks or electronic or mechanical device or otherwise. We will not be liable to make good or compensate you or any third party for any damages, losses, claims or expenses resulting from undelivered communication.

Other losses that we will not be responsible for are as follows:

- Any changes in tax or other legislation.
- The investment or market risk of the underlying investments.
- Financial Advisors acting beyond the scope of their FSCA license.
- If your Financial Advisor does not comply with the Financial Intelligence Centre Act (FICA). A rejection of an application or a delay in processing as a result of a Financial Advisor not being an authorised Financial Services Provider or not having a contract with us.
- If an unauthorised instruction is received from your appointed Financial Advisor.
- Providing your Financial Advisor with details about your investment whether via telephone, fax, email or via the dedicated web front end secured investment portal.
- Acting on information that is outdated or incorrect where you have failed to notify us of any changes to your information.
- We do not accept responsibility for delays in processing instructions as a result of extraordinary events that cause disruptions. We will carry out instructions at the earliest possible opportunity subject to legislation and our administration procedures and CIS Portfolio limitations.
- The delayed sale of some or all of your investment due to ring-fencing. 'Ring-fencing' is the separation and delayed sale of units in a CIS Portfolio. It is caused by the large sale of units above a certain threshold in a CIS Portfolio. Ring-fencing makes sure that the sale of a large number of units will not force the Manager to sell the underlying assets at a price which could negatively affect investors in the CIS Portfolio. We may delay the payment or reinvestment of the proceeds of the sale of units.
- We are duly authorised to accept instructions by facsimile or email and you accordingly waive any claim you may have against us and indemnify us against any loss incurred as a result of our receiving and/or acting upon such communication.
- We will not be held responsible for any failure, malfunction or delay of any networks or electronic or mechanical device or any other form of communication used in the submission, acceptance and processing of application and/or transactions. We will not be liable to make good or compensate any Investor or third party for any damages (whether direct or consequential), losses, claims or expenses resulting there from.

6.4. Cooling-off period

You cannot cancel the investment and there is no cooling-off period. You can however submit a redemption instruction and we will sell units at the ruling market price.

The Administrator must be notified of your death in writing. The following information must be included in the notification:

- Your personal details
- Identity number
- A certified copy of your death certificate
- Your Investor number (i.e. entity number)
- Letter of executorship.

The Administrator will only act on instructions received from the executor of your estate. On notification of your death your investment will remain invested in an Estate Late account while the estate is wound up. The executor may ask for the redemption of the investment, or transfer ownership of the investment to another person.

8. What fees and charges do you pay?

There are different types of fees that are levied on your investment that will reduce the underlying value of your investment.

The fees differ across the range of Portfolios as well as the class of Portfolio. Therefore the Portfolio and class of Portfolio you choose will determine the ultimate fees that you pay.

All fees and charges applicable to your elected investment portfolios can be found in the relevant MDD available on the website, or from your Financial Advisor.

The types of fees that could be levied are as follows:

8.1. Initial Management Fee

Certain managers may charge an initial fee on your investment, which potentially could include switches.

8.2. Annual Administration Fee

The annual administration fee will be dependent on your Portfolio selection.

The fee is levied monthly in arrears by deducting units from your underlying holdings to the value of the fee owed. The fee is deducted proportionally from the Portfolios held within your investment unless you have an expense account.

8.3. Financial Advisor Initial Fee

If you and your Financial Advisor agree to an initial Financial Advisor fee (as indicated in the application form or any other written communication with us), we will deduct the agreed amount from the investment before the investment is made.

8.4. Financial Advisor Annual Fee

If you and your Financial Advisor agree to an annual Financial Advisor fee (as indicated in the application form or any other written communication with us), we will deduct the fees by selling units from your Portfolio(s) and pay the amounts to the Advisor monthly.

8.5. Value Added Tax

Where appropriate, VAT will be added to the fees or charges on your investment.

8.6. Redemption Fee

We do not charge any fees when you withdraw from your Portfolio(s).

8.7. Switching Fee

8.8. Reporting of Fees

Your investment statement will show the fees that are charged on your investment, except for the fees mentioned above that are included in the price of your Portfolio.

8.9. Portfolio Management and Transaction Costs

Managers charge annual management fees, which are incorporated into the daily unit price of the Portfolio. These fees vary across the range of Portfolios as well as the class of Portfolio, therefore the Portfolio you choose will determine the fees which you incur.

All fees and charges applicable to your selected Portfolio(s) can be found in the applicable Portfolio Supplement(s) and/or MDD(s).

9. When can I access my money?

You may request a redemption at any time from your investment (either part of in full) as well as a request that a regular redemption be loaded on your investment.

10. What legislation and regulations govern your chosen investment Portfolio(s)?

The following are some of the main acts and regulation that governs your investment and the parties to this investment agreement. Amendments to or replacement of the legislation and directives issued by regulatory authorities may change the terms and conditions of your investment.
