### **7.1. Financial Advice**

The Administrator does not provide financial advice.

We may only give you information about our investment products (of a factual or administrative nature) and we may not give you advice on whether any of the investment products we offer is suitable for your risk profile and investments needs.

You must not rely on any written, spoken or implied communication from us as investment advice, or recommendation to invest in or change your investment.

By selecting one of our investment products, you make an independent decision to enter into an investment which meets your financial and investment needs, whether those needs have been identified using your own judgment or through financial advisors. We have in no way, be it written, spoken or implied, recommended your choice of investment and the information and explanations relating to the terms of your investment are in no way to be considered investment advice.

In making your investment choice, we are indemnified and held harmless against any claim which may arise when you conduct business telephonically, by way of facsimile or via online services, including email. We will take any and all deemed and necessary security precautions to ensure that you can proceed with your chosen investment application.

### **7.2. Guarantees**

We do not provide a guarantee on the investment value of your investment nor do we guarantee the performance of them.

The market value of investments may fluctuate, and past performance is not necessarily a guide to the future. Your investments are generally medium to long term investments. You carry the investment and market risk which may include the possibility of losing capital.

Ring-fencing makes sure that the sale of a large number of units will not force the Manager to sell the underlying assets at a price which could negatively affect Member in the Portfolio. We may delay the payment or reinvestment of the proceeds of the sale of units.
- We are duly authorised to accept instructions by facsimile or email and you accordingly waive any claim you may have against us and indemnify us against any loss incurred as a result of our receiving and/or acting upon such communication.
- We will not be held responsible for any failure, malfunction or delay of any networks or electronic or mechanical device or any other form of communication used in the submission, acceptance and processing of application and/or transactions. We will not be liable to make good or compensate any Member or third party for any damages (whether direct or consequential), losses, claims or expenses resulting there from.
